

MUTUAL AID AGREEMENT

Between

Massac County Emergency Management Agency

and

Union County Emergency Services and Disaster Agency

The Massac County Emergency Management Agency agrees to render mutual aid to the Union County Emergency Services and Disaster Agency when the need arises, and in times of disaster and/or extreme emergencies.

In turn, Union County Emergency Services and Disaster Agency agrees to render mutual aid to Massac County Emergency Management Agency when the need arises, and in times of disaster and/or extreme emergencies.

The above described agreement is subject to the availability of equipment and personnel, not otherwise leaving out respective communities without proper coverage in the event of an emergency or when otherwise being operated within the respective community during time of disaster and/or extreme emergency.

In the event that the Massac County Emergency Management Agency MCI truck and trailer is requested, said request shall follow proper notification and request procedure agreed upon between the undersigned Massac County Emergency Management Agency Coordinator and the undersigned Coordinator, Union County Emergency Services and Disaster Agency. In addition to the above described agreement applying to the use of the MCI truck and trailer, all parties agree that the MCI truck and trailer will be operated and manned by Massac County Emergency Management Agency personnel at all times during the operation for mutual aid, unless other arrangements are expressly authorized by the Massac County Emergency Management Agency Coordinator.

This agreement will be effective immediately and continue until terminated by mutual agreement or replaced by similar contracts between our organizations at a later date.
