Dear Ms. Hubbard:

Please consider this our response to your attached Freedom of Information Act request, received via email on May 21, 2019 and summarized below:

*EWI has been engaged to conduct a Phase I Environmental Site Assessment of approximately 290 acres of land developed with a small residence located at 7185 State Route 146 West in Jonesboro, Illinois. EWI is requesting copies of any documentation pertaining to inspections, violations, hazardous materials spills, releases or responses, aboveground and underground storage tank information regarding installation, releases or excavations, oil-water separators, or any other conditions that may impact the environmental integrity of the subject property.*

We have neither custody nor possession of records responsive to your request.

We consider your request completed. If we can be of further assistance, please let us know.

Sincerely,

Public Information Officer  
Union County State's Attorney
